Request For Clarification
MEMORANDUM FOR CLERK

Most Honorable Judge,

May 13, 2014.

Thank you sign a attorney legal help me for this case! I am very appreciate!

When the first time meeting with Jason E. Maschmann, he informed me his legal help this case was totally free of charge to me, and requested me leave him some evidence papers to read and to copy. The next week when I picked up the papers as appointment, his secretary put the "Re: Engagement Agreement" (attached copy) to let me sign for the condition that this attorney could help my case.

I was confused, such as the first sentence in the "Agreement" - "Thank you for choosing Dentons US LLP...". The court signed Dentons US LLP and Jason E. Maschmann to help my case, why the "Agreement" changed into my "choosing" them? Because of the limitation of my English reading, it's very hard and difficult for me to understand all the meanings of those papers that the attorney's secretary let me sign. I am NOT willing to sign it. Meanwhile, if I refuse to sign, I am going to lose the attorney's legal help which was signed by honorable court and which I badly need in this case.

So, bring this situation into your attention, ask you guid the way once more.
